Product-Change Notice P2022-06

Products affected: MERP 12-12126-GR, MERP 12-12P126-GR, MERP 12-12P126M9-GR, MERP 12-24N-225M, MERP12-24126GR, MERP12-24118.5M, MERP12-24126M, MERP12-24225-GR, MERP12-24225OB, MERP12-24225M9GR, MERP12-24-225M, MERP12-24N225M, MERP12-24126M9GR, MERP12-24126M9BG

Effective date: from April 2022 production

Details:

In course of continuous product improvement, to improve reliability and thermal stability, the thickness of lower case-part and internal LED block has been increased. This results in an increase of the body height of total 0.3 mm for all MERP 12 models (with pushbutton) with bicolour or RGB-LED illumination. The total height of the component is changing accordingly.
