

# knitter-switch

## Product Change Notification

Products affected: Part-numbers starting with “MER 11” and “MERP 11”

Effective date: after stock of raw material is exhausted

Details:

Products will be made using halogen-free PBT instead of halogen-containing PBT.

It is indicated by colour of the lower part of the case:

Green, with Halogen

Black, free from Halogen

Any technical data or specification is not affected by this.
