

## Product Change Notification

Products affected: TSS 63 K-LF, TSS 63 N-LF, TSS 63S-LF  
TSS 644 R-LF  
TSS 65 N-LF, TSS 65 R-LF  
TSS 66 R-LF

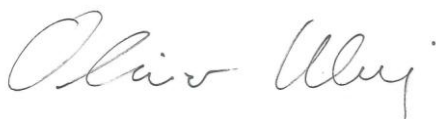

Effective date: from September 2010

### Details:

To improve mechanical stability of the rivets the switch base material will be changed from PPS (Torelina A504FG1) to high-temperature Nylon (Zytel HTNFR52G30NH).

Any technical data or specification is not affected by this.

Knitter-switch, September 2010
